## Professional Summary

Entry level frontend developer, with a strong focus on creating dynamic web apps. Eager to apply my foundational skills and knowledge. Quick learner with a passion to understand the industry trends and best practices. Excited to embark on a career in frontend development and grow within the field.

## Experience

- **CTM centre for education excellency**

Teacher (Maths and Science) | 02/2020 - 02/2024

Established and managed a private educational institution catering to high school students. Demonstrated proficiency in increasing student enrollment and enhancing the institution's standing in the local area. My four-year tenure as an educator has honed my interpersonal abilities significantly.

- **ExclusiveLane**

Email marketing intern | 06/2023 - 07/2023

I was tasked with composing the email content aimed at attracting prospective clients for the company.

- **TalentPlace.io**

Internship | 03/2023 - 04/2023

Having been involved in a small startup, I assumed diverse responsibilities. This experience in a startup setting cultivated in me traits such as adaptability, resourcefulness, and a proactive problem-solving mindset.

## Education

- **Bachelor of Commerce**

(Accounts and Finance)

Jain University, Bangalore | October 2023

- **Bachelor of Engineering**

(Electronics and Communications)

Nitte Meenakshi Institute of Technology

(\*\*Discontinued in the third year, complete two years marks cards available)
